FUTURE MARKETS and INNOVATION NEEDS for INDIA

Dr. VINAY SHARMA

DEPARTMENT OF MANAGEMENT STUDIES

- Future to be looked upon with the perspective of :
- NEEDS
- AVAILABLE RESOURCES

- WHERE stands INNOVATION in the PROCESS?

- WHAT and HOW should we think of?
- For example:
- Education
- Energy
- Economy as a whole
- Food Security
- Disasters
- Defense
- All together or one by one and what can we get from the side of Innovation?

Thank You
